

They are about to say: 'I do', three little letters, two little words.

It's the simplest part of the day; but there is nothing simple about the things that will remain unsaid.

'I do' means I do know I could be hurt, but I am ready to be healed with you.

It means I do want to try, even when the fear of failure holds me back.

And I do not know the future, but I am ready to be surprised along the way.

'I do' means I do want your love & I do give you mine.

And nothing we do will ever be the same, because we will be doing it all together.
